### Additional Notes:

**Percy James Brebner** was brother to author [Arthur Brebner](#). His family traces its genealogy to [Isaac Brebner and Margaret Wright in Glenmuick](#), although it's a curious coincidence that his nom-de-plume of **Christian Lys** mirrors the name **Christian Leys**, who was wife of the titled [Alexander Brebner of Learney](#) (1753-1823). Whether this suggests a connection between the two families or was simply wishful thinking on **Percy's** part will probably never be determined.
