While the 1901 and 1911 censuses give James' wife as named "Edith Mary", and the 1911 census states that the couple were married 16 years (i.e. c. 1895), with two children, the only marriage for James McPhearson (sic) BREBNER found is one in 1893 to either Emily COOK or Mary Ann WRIGHT (Free BMD).

But there does not appear to be a death of either of these women before 1895. In addition, Edith Mary BRITTER's marriage is to Bertram SKINNER as evidenced by their appearance in the 1901 Woolwich, KEN census.

Obviously there is an error here!
