"The Ruby Vale Fatality"

"Further particulars have been received by Inspector Quinn from Ruby Vale respecting the death of Francis Brebner, a single man, aged sixty-five years, a native of Dunedin, New Zealand, who was knocked down and killed by a team of horses attached to a waggon at Ruby Vale.

They go to show that a carter named Alfred William Pacey was driving a team of horses attached to a waggon loaded with a tank when one of the horses got its leg over a chain and commenced to kick. Pacey applied the brake and tried to hold the horse in, but the reins broke, and he fell off the waggon and the team got away. The deceased and others endeavoured to stop the runaways, and Brebner was knocked down and the wheels of the waggon passed over his body. He died shortly after being admitted to the Sapphire First-aid Hospital."

Aberdeen Journal, Tuesday 17th October 1899

" Peterhead: Alleged Breach of Grocer's Certificate"

"In Peterhead Police Court yesterday -- Baillie Booth presiding -- Robert Boggie, grocer, was charged with having on 23rd September, within the shop, 7 Longate, occupied by him, by the hands of Alexander Boggie, his son, sold or given one pint or porter to Geo. Brebner, carter, 18 Crooked Lane, to be drunk or consumed on the premises. Accused pleaded not guilty, and was defended by Mr. David Troup, solicitor. Geo. Brebner, carter, said that on the day in question he went into Boggie's shop for tobacco. He went through to the back shop to see some bags which were there. Accused's son followed him, and witness asked for a drink of water. The boy told him to wait a minute, and gave him a glass of stout. Witness drank the stout, and while doing so a policeman came in and challenged him. The circumstances of the case were explained to the constable, and then witness paid for his tobacco; he paid nothing for the stout. A good deal of evidence was led, and at the close it was contended on behalf of accused that the act was one of pure friendliness on the part of the boy. Baillie Booth found the charge not proved, but warned accused against dealing with customers in the back shop at all."
