I can find no record of his birth in the Scottish OPR, but as his death certificate shows religion as "Church of England" ...probably from Caithness. **Elizabeth**: Most of the DUNNET families are from the Caithness area in Scotland, and there are several BREMNER/DUNNET marriages in the 18th and 19th centuries, so I feel pretty confident that both Daniel and Elizabeth were from that area. Age at death 37 yrs 3 months.
