The Ararat Advertiser, 29 December 1915

"Mr. J.G. BREBNER"

"Widespread regret was expressed yesterday, when it was learned that Mr. James Gordon BREBNER, of Willow Bank, Ballyrogan, had somewhat unexpectedly expired on Monday. Mr. Brebner had been ailing for some little time past, but his robust constitution and hearty manner did not lead to the supposition that his condition was grave, and his death came as a severe shock to many friends. The deceased gentleman was born in Aberdeenshire, Scotland, in 1842, and he came to Australia in 1865, and lived the greatest part of his life in Victoria. He

came to this district 45 years ago, and built up a very fine property at Willowbank, where he carried on sheep, horse and cattle breeding successfully. He was a keen judge of horse stock, and a prominent and successful exhibitor at the district agricultural shows, especially in the horse sections. He was a staunch supporter of the Presbyterian Church, and very charitable in a very quiet, unostentatious manner, and his many kindly acts and his urbanity won for him a host of friends, who will join with his sorrowing family in lamenting his death. He was widely known throughout the district, and by those who were privileged to know him most intimately he was most esteemed and respected. He leaves a widow and family of four -- two sons, and two daughters -- all of whom are grown up, to mourn their loss. Mr. BREBNER had reached the advanced age of 73 years at the time of his death. The remains of the deceased will be interred in the Buangor Cemetery this afternoon."

The Ararat Advertiser, 31 December 1915

"Action Against Mr. John Mchattie, Horse-Dealer."

"At a Debts Recovery Court in Aberdeen this afternoon -- Sheriff Robertson on the bench -- an action was brought at the instance of Jane Brebner, 16 Balmoral Place, Aberdeen, executrix of the late William Gordon, cattle salesman, Aberdeen, against John Machattie, horse dealer, North Broadford, Aberdeen, for the sum of £50, as the value of colts and cash paid to account by the deceased to Machattie. The defence was a denial of the claim. Mr. Knox, solicitor, appeared for the pursuer, and Mr. D.B. Murray, solicitor for the defender. Mr. Murray asked that a diet of proof be fixed in connection with the case. He had no objection as to the date which might be fixed. The sum sued for was £92, restricted to £50. Mr. Knox said he did not know whether there was any likelihood of Mr. Machattie being present for a week or two, but he should like his lordship to fix a date as early as possible. His lordship then fixed the 7th October as the date of proof."

"Neglected Children in Aberdeen."

"Extraordinary Domestic Relations"

"In Aberdeen Police-court to-day Chief-Constable Wyness presented a petition to Baillie Mearns requesting that Peter Brebner (10) and John Brebner (6) should be dealt with under the Industrial Schools Act, in respect that they had been found wandering without proper guardianship. The father of the boys was put into the witness-box and examined by Mr. Wyness, in answer to whom, he said the mother of the children left him about 12 months ago. He was not married to the woman, but she had six children to him. Four of the children were alive, but two died. The woman was now married to another man, and she and witness divided the children among them (Sensation in Court.) The woman took the youngest with her, and witness kept the two oldest."

"What provision do you make for having the boys looked after! My sister cleans their clothes, and I look after their food."

"But you can't look after their food when you are out. Who cooks the food? I make the breakfast before I go out. Sometimes I come back about dinner time, or it may be four o'clock in the afternoon. When I am late the oldest one makes food for himself."

"And for you, too, doesn't he? He is general cook? Well, yes, he sometimes cooks for himself, his brother and me."

"Have you been staying away drinking and neglecting the children? I have."

"Is that right? It is."

"You think it is right to do so? Oh, no; but it is correct that I have been doing so."

"And the boys have been staying away from school and remaining out all night? They have. That is against my wish."

"The Baillie -- Your own wish is to get clear of the boys as fast as possible, I suppose? Oh, yes."

"The Baillie -- The question is whether, if this man gets clear of the children, he will not drink all his wages?"

"Mr. Wyness -- There is something too that, your honour. (To accused) -- What are you willing to pay in support of the children if they are sent to an Industrial School? -- I could pay 2s 6d or 3s."

"For each child? -- Oh. no: for both."

"What are your average wages? --- 15s."

"The Baillie -- And you have nobody to keep but yourself? -- No."

"Then could you not give 2s for each child? -- Oh, yes."

"You are just as well doing that with it as drinking it!? Yes."

"A neighbour woman gave evidence as to the manner in which the children were neglected; and said she did not think the father a fit guardian of them. He was out day and night."

"A policeman corroborated, and said the father was always on the water poaching."

"Mr. Wyness -- Ah, that is his night duty is it? Yes."

"The Baillie ordered the boys to be detained in Oakbank Industrial School until they attain the age of sixteen; the father will pay 4s weekly towards their maintenance. If he did not do that, the authorities would look after him."

Arbroath Herald and Advertiser, Thursday, 1st February, 1906

"Smart Capture. -- A somewhat smart capture of two housebreakers was effected on Thursday by Constable Stephen of the Burgh Police. On Thursday morning information was received from the Aberdeenshire police that two men were wanted on a charge of theft by opening lockfast places. Constable Stephen had just been supplied with his description of the men wanted when he recognized them and brought them unassisted to the Police Office. At the office they protested against the arrest and alleged that they were not Edwin Bolinger, hawker, Glasgow, and John Brebner, labourer, Peterhead; but they suited the description of the men wanted so well that they were handed over to the Aberdeenshire authorities that day. It may be stated that the men had been only twenty minutes in town when they were arrested."

Aberdeen Journal, Friday March 25th 1921

" Ythan Salmon Poachers"

" Alexander SKINNER or HENDERSON, 69 Shiprow, and John BREMNER, 23 Jack's Brae, Aberdeen, were charged at the instance of the River Ythan District Board, with having fished for and taken salmon from the river by means of a drag net at a point about 150 yards north of the Kinharrachie Bridge, where the Ellon-Tarves turnpike road crosses the river. "

" Both accused pleaded guilty, SKINNER admitting 13 previous convictions and BREMNER 8, all for similar offences."

" A fine of GBP 5 with 14s 5d of expenses, was imposed on each accused."

Aberdeen Journal, Tuesday, 12th August 1924

"Fraserburgh Rowdies Fined. -- At Fraserburgh Police Court yesterday -- Baillies Low and Peterkin on the bench -- John Brebner, of no fixed abode, pleaded guilty to having, on Saturday evening, use obscene and indecent language on the street. Accused said he had too much to drink. His last appearance in a court, he said, was twelve years ago. The Fiscal said that was son, by Brebner had been 25 times in court before that. A fine of 15s, with the alternative of seven days, was imposed."

Aberdeen Journal, Tuesday 26th July 1927

"Not to Share Bed"

"John Brebner, labourer, of no fixed residence, was brought before Baillie Nicol, at Peterhead Police Court yesterday, on a charge of conducting himself in a lawless and disorderly manner, and cursing and swearing in the lodging-house at 11b Longate, Peterhead., on Saturday. He stated that he had great provocation. He complained of his bed, and asked for his money back, but was refused."

"The Fiscal (Mr. C. Gordon Masson) said the accused had not told the story as graphically as he might have done. Another tramp had arrived at the lodging-house, and the keeper, having no accommodation for him, asked accused to share his bed with him. The accused resented, and was quite within his legal rights in refusing to share his bed, but, unfortunately, he used terrible language."

"The accused was dismissed with no admonition."

Aberdeen Evening Express, 05 March 1951

"Jail for Stealing From Car."

"A 27-year-old unemployed Aberdeen labourer, John Neish Bremner, 22 East North Street, who admitted eleven previous convictions, was told by Sheriff McDonald at Aberdeen to-day that apparently he was not willing to take the chances previously offered to him to go straight. He was sent to prison for three months."

"Bremner had pleaded guilty to stealing two blankets from a motor car parked in West North Street, Aberdeen, last Monday."

"Mr. Eric Buthlay, advocate, said on his behalf that he was unable to read or write and suffered from epilepsy. The only employment he was suitable for was labouring. A sister had written a letter for him to an English firm to obtain employment, and if he was successful he would leave the city and go south."

"Sheriff McDonald, however, recalled that the last time Bremner had appeared in court on a charge of theft he was given the chance to take up employment and a small fine was imposed."

"Apparently you won't take a lesson," said the Sheriff imposing the prison sentence."
